

PAzules2.Archaea

PAzules3.Archaea

PAzules.Archaea

Gene expression data for PAzules2.Archaea, PAzules3.Archaea, and PAzules.Archaea. The data is organized into rows representing genes, with some rows highlighted in red and others in yellow. The overall pattern shows varying levels of gene expression across the three samples, with some genes showing high expression in all samples and others showing low expression in all samples.
